India's First 24-Hour Spa & Wellness

FOUNDER'S NOTE

For over 30 years, as I traveled the world as a designer, I found myself asking, why must wellness be confined to certain hours? Shouldn't indulgence be available whenever the moment calls? At Della Spa & Wellness, we've answered that question by creating a space where our spa & wellness, swimming pool, and fine dining are open 24/7. We invite you to a place where time is yours, and the journey to rejuvenation is available around the clock.
